DETAILS FOR WORLD'S SERIES TO BE WORKED OUT.

Series May Start on Oct. 6 in Chicago if White Sox Win American Pennant

Chicago, Sept. 5.—Details for the world's series are to be worked out at a special meeting of the National Baseball Commission to be held in Cincinnati September 20. President Johnson of the American League said tonight. The race between Chicago and Boston for the American League pennant will have been definitely enough settled by that time. President Johnson said, to assure going ahead with the plans. Although Charles A. Comiskey, president of the Chicago club, declines to make any statement claiming the American League championship, or- ders for the world's series seats are beginning to pour in from middle west cities. One Chicago enthusiast placed seats today. These orders are being held up, however, until Chicago is certain of beating out Boston.

There is a strong possibility that the series if Chicago is the American League contender will start in Chicago on Saturday, October 6. President Johnson said. Although the place for playing the series is decided by the toss of a coin, resident Johnson said the National League might waive this formality and agree to start the games in the west so a Sunday game could be played.

The Yankees are negotiating with the Providence International league club for the release of Shortstop "Cooney" who if secured may be tried at second base.
